

Improving stores

Thursday 1st July 2021 (following on from Saturday 26th June, 2021)

COVID-19 UPDATE

ALL UCB MEMBERS

The new Delta variant means change – this variant is changing the game everywhere.

ACTIONS

- Ensure you have and are following your COVIDSafe Plan each State/Territory has their own which can be downloaded from their health websites.
- Ensure you have communicated with staff specifically around cleaning and isolation and testing when feeling unwell.
- Ensure that you have registered for your State Govt COVID Check In QR code (links below).
- Ensure that you are requiring all staff to check in with the Govt COVID Check In QR code where required.
- Ensure that all visitors (contractors and delivery persons) are checking in with the Govt COVID Check In QR code.

When QR Code check in for customers is introduced in your State, it is not up to the site to force customers to check-in but it is incumbent on the site to take best efforts to encourage customers to check-in. This can be done by placing the QR Code in use notices on the pumps (not the actual check in codes for safety reasons) and a copy of the Check-In code in the entrance inside the shop and potentially on the counter too.

It is important to note that even if your area is not subject to restrictions today... there are action items you can take now to help keep any future restrictions lighter and shorter. Some states now have in place that staff have to check in every shift others have announced it will be compulsory in the coming days, other states will surely follow.

General information about QR Code Check-In by State/Territory can be found in the links below - which businesses are covered, when and where you need to use it, how to register and how to receive your QR code for your business.

Remember, as the situation changes and restrictions tighten, borders close and lockdowns happen...fuel is essential. Fuel wholesale, transport and retail remains an

essential service and will continue through these lockdowns – provided we continue to show the high levels of compliance, cleanliness and sensible and safe operation.

Any doubts, please check your State/Territory health Website if you need to discuss anything further or need to talk through anything, please call your UCB business manager as detailed at the very bottom of this email.

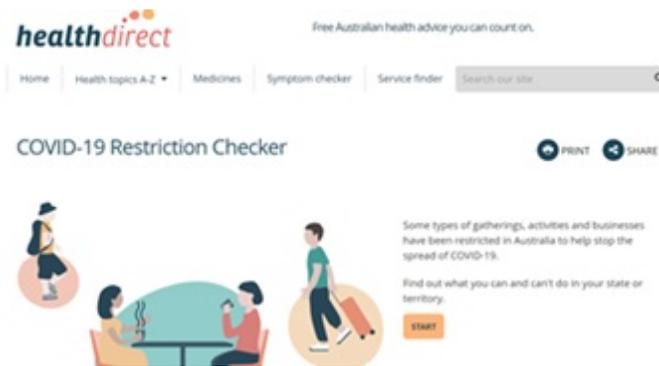

[Click here](#) to get “Masks Are Compulsory Poster” that you can print off and display at your site.

All States/Territories please use the below link to see COVID-19 Restrictions specific to your state:

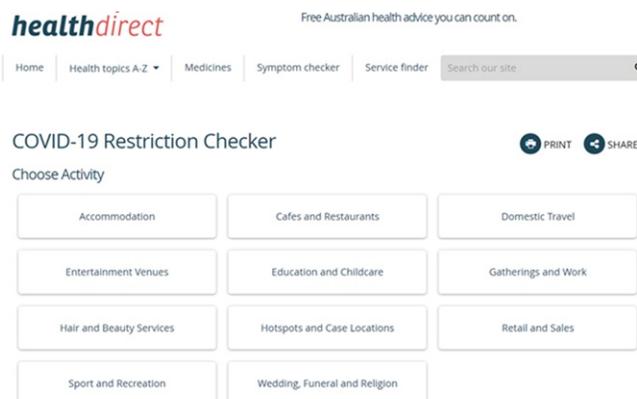

Recently, there have been changes to various restrictions by State – please take the time today to double check what you are required to do by your government.

All States/Territories, please use the below links to see Covid-19 restrictions specific to your state:

COVID Restriction Checker: Click on the image for further information.

One click takes you to area of query, eg. Retail and Sales

Second click takes you to State/Territory specific info – this is direct to the State Government websites.

Choose State

| | | |
|------------------------------|-------------------|--------------------|
| Australian Capital Territory | New South Wales | Northern Territory |
| Queensland | South Australia | Tasmania |
| Victoria | Western Australia | |

You will need to assess each rule as it applies to your individual business. At UCB and with help from our friends at ACAPMA, we are here to offer advice.

Why not call the helpline from your State government – the people manning the lines are extremely helpful and the conversation can be very informative.

Social Distancing Decals

Social distancing in stores. The UCB Floor stickers are still going strong at sites and do clean up well with a multi surface spray. One of our partners SPOS have a sticker available to order if you need more.

Click on the image for further information.

Social Distancing Decals

High Quality Floor Decals to guide customers

Hand Sanitiser Stations

We have attached an order form on image, which shows the four different types of Sanitiser Stations available from one of our partners, SPOS Group, along with a kit which can be customised.

They allow our members a further way to improve our responsible response to Covid-19 and to safeguard further our staff and our customers. Bulk Hand Sanitiser Fluid is available through SPOS as well as our other Trade Partners as we have previously notified in the Covid-19 Daily Update.

Click on the image for further information.
