## **COVID-19 Update 7th May**

**Safe Work Australia have re-vamped their website based on Covid-19 and by Industry sector - check out the National Covid-19 safe workplace principles.**

As Governments ease up on restrictions to get people back into workplaces it may be worth checking if you are still compliant to the rules even if you have remained open. There are some useful checklists and information sheets you can download from this website.

**COVIDSafe app** — Over 5 Million Australians have now downloaded the App – this is very encouraging but we need more! At UCB we are backing the App to help the country get back towards some normality. We are in a position where we still have customers let's talk this up to them?

The COVIDSafe app speeds up contacting people exposed to coronavirus (COVID-19). This helps the Government support and protect you, your friends and family. It's really easy to download - all the

information you need to know here.....

## Hand Sanitiser Stations – UCB respond to member requests.

We have attached an order form on the link below, which shows the four different types of Sanitiser Stations available from one of our partners, SPOS Group. They allow our members a further way to improve our responsible response to Covid-19 and to safeguard further our staff and our customers. Bulk Hand Sanitiser Fluid is available through SPOS as well as our other Trade Partners as we have previously notified in the Covid-19 Daily Update.
