

Friday 17th December 2021 (following on from Wednesday 17th November, 2021)

COVID-19 UPDATE

Is your Store COVID Safe?

As each State and Territory follows it's own path back to "normality" and State and International borders re-open there will be many customers who are nervous and uncertain so it is important to give them the most secure environment possible. As the Omicron virus spreads and there are more cases than even in lockdowns, as well as following the mandatory rules, is there anything extra that you can do at your site. Cleanliness is extremely important as well still wearing masks where possible, both staff and customers. Tell your customers you are cleaning regularly, tell them that wearing masks will help prevent the spread and if all of your staff are double Vaxxed tell your customers about it. Stop the spread....

- Kids Helpline (1800 55 18 00) - operates 24/7) is a telephone counselling support line for children and young people ages 5 to 25.

Rapid Antigen Tests Pacific Optics

Pacific Optics have announced they will be distributing the ECOTEST range of Rapid Antigen Tests. This product is approved by the TGA and The Doherty Institute.

Orders can be placed through your Pacific Optics Representative.

Please note – WA & SA Governments have not approved any COVID home testing kits at this stage, therefore these states will be unable to place any orders for the time being.

Rapid Antigen Tests The Distributors

The Distributors are pleased to announce they will be stocking the Hough Pharma Rapid Antigen Test (RAT) Kits for Self-Use. Hough Pharma are one of the first suppliers to be officially granted TGA Approval for Self-Use in Australia.

To order, please contact your local distributor warehouse.

Facemasks

Pacific Optics have full availability of face for UCB Customers.

Social Distancing Decals

The Social Distancing Floor stickers have been a hit at sites and do clean up well with a multi surface spray.

After many requests from our Members, UCB have reprinted our social distancing stickers which were included in your recent Promotional Pack. Ensure you place them around your store where needed.

If you have any queries, don't hesitate to contact

your UCB BMM.

Hand Sanitiser Stations

We have attached an order form on image, which shows the four different types of Sanitiser Stations available from one of our partners, SPOS Group, along with a kit which can be customised.

They allow our members a further way to improve our responsible response to Covid-19 and to safeguard further our staff and our customers. Bulk Hand Sanitiser Fluid is available through SPOS as well as our other Trade Partners as we have previously notified in the Covid-19 Daily Update.

Click on the image for further information.
