COVID-19 Update from Senator the Hon Michaelia Cash

Dear UCB Member,

Further advice on the most recent and factual information regarding the governments latest assistance available to businesses that will be relevant to your stores. This has come directly from **Senator the Hon Michaelia Cash, Minister for Employment, Skills, Small and Family Business, Senator for Western Australia**, [Click here for the update on assistance available to businesses](#).

I would like to thank both Peter Strong CEO COSBOA and Mark McKenzie CEO ACAPMA for keeping us updated through their direct relationships with the Minister and her Department.

The NSW Premier has just announced she will be informing the National Cabinet, that NSW will proceed to a more comprehensive shutdown of non-essential service over the next 48 hours.

Supermarkets, petrol stations, pharmacies, convenience stores, freight and logistics as well as home delivery services will be among the many that remain open.

We strongly suggest you talk to your accountants, financial advisers and to your bank for further clarification. Continual health updates are being provided by the government and its various agencies. For more information on COVID-19 in the workplace and other updates please visit: <https://www.health.gov.au> & [Coronavirus and Australian workplace laws](#).

Our thoughts are with you and your families, please stay safe during this time.

Yours sincerely,
Darren Park
